

BOOK DISCUSSION

In her latest work, Sister Joan Chittister – a rabble-rousing force of nature for social justice and fervent proponent of personal faith and spiritual fulfillment-draws on the wisdom of prophets, both ancient and modern, to help us confront the societal forces that oppress and silence the sacred voices among us.

For the weary, the cranky, and the fearful, this energizing message invites us to participate in a vision for a world greater than the one we find ourselves in today. This is spirituality in action; this is practical and powerful activism for our times.
