In our Liturgical Year we celebrate the Feast of Archangels and Memorial of Guardian Angels. Angels are here to help us on our Earth journey. They are our tour guides, not so subtly guiding, guarding, consoling, teaching, and loving us through this adventure of human existence. The purpose of this workshop is to honor, explore, and learn about angels. Our desire is for participants to become aware and empowered by opening their hearts to “angelic possibilities” in their everyday lives.
