Reflection for the Second Sunday of Lent

Lent is a time for transformation- to change us into the image of Christ. How are we doing?

The Feast of St. Joseph

St. Joseph's Day is a Roman Catholic feast day commemorating the life of the stepfather of Jesus and husband of Mary. We celebrate our Patron Saint each year on March 19th.

Their Healthy Families Program is a voluntary, home visitation program offering intensive support to at-risk families and their children from birth to age 5, with primary goals of improving family functioning, promoting positive parenting skills, and improving childhood outcomes.
