Thank you

In any parish's lifetime, there come moments
when the Holy Spirit truly inspires and
moves us. This happened with our Church
Restoration Project here at St. Joseph. Over the last several weeks
we have listened, read and prayed about the project needed to
restore our church building. And our parishioners and friends
responded with support and generosity. The entire Parish Council,
Finance Council and Ad Hoc Restoration Committee extend our
sincere gratitude for your faithfulness in support of our needs.

Book Discussion

The Great Divorce by C. S. Lewis

Led by Sara Buscher

The Great Divorce is a classic tale about a bus ride from hell to heaven. An extraordinary meditation upon good and evil, grace and judgment, Lewis's revolutionary idea in the *The Great Divorce* is that the gates of Hell are locked from the inside. Bishop Robert Barron says, "The inspiration for this theological fantasy is the medieval idea of the refrigerium, the refreshment or vacation from Hell granted to some of the souls abiding there."

- 9/27 Discuss Preface through Chapter 4
 10/25 Discuss Chapters 5-8

- It is for those already baptized in the Catholic Church, but not brought up in the practice of the Faith, who desire to respond to God's invitation to allow Him to bring completion to what He has already begun.
