

Faith is sown in us like a tiny mustard seed at baptism. Faith grows through receiving the sacraments; our charity toward others is the fruit of faith so Christ's love for all men can be seen.

Spirituality for the Long Haul - Monica Hilbert A New Way of Living

When assessing the health of our country, one may wager to think that we may be in this for the long haul. If that is the case, we must brace ourselves for this new way of living. We must be prepared, patient and take every precaution, especially to act on the advice of the medical professionals. We can no longer hesitate to encourage others to do the same. Prophetic spirituality calls us to walk in the wake of the biblical prophets of ancient Israel, to hear the word of God for the world and repeat it, shout it, model it until the world comes awake. We are all meant to be carriers of that same prophetic message to our own time. We are called to spread the message of unity, love, and our mission to care and love one another.

Heaven is working hard on our behalf to teach us, but we need to listen and invite them in. For without the invitation, they can only be spectators. Humanity has huge lessons to learn as we navigate through these times. Yet, it was precisely for times such as ours that God sent the prophets of old to wake up the world around them to its distance from Truth. It is surely time for our generation to rediscover them.

Every prophet called the world to become its best self – and so must we. Accepting the invitation to turn the compass points of our world back to the True North of the soul is what it means to be truly spiritual. Our task is to be obedient all our lives to the Will of God for the world. We are meant to be witnesses to a spirituality that is not only faithful to the liturgical dimensions of our traditions but committed, as well, to the kind of prophetic spirituality that promotes the Word of God in a world such as ours. Let us live with the hope that this will truly be our new way of living – living how God intended it to be.

Edge and Life Teen

Middle High School Religious Education and Youth Ministry

We have been meeting on Wednesday evenings in the Corpus Christi parking lot. Middle, high school, and former teens are invited! We meet at 6 for about an hour and a half. We ask that you bring a blanket or a chair and any snacks you may want. We make sure our chairs are 6 feet apart and we stay outside. If it is raining, we reschedule. BUT the nights have been going so well! It's so great to be able to safely gather!

Do you know of someone locally who could use some help at his or her home? Our youth ministry is putting together a few days of service (probably early evenings and weekends) and we need help finding people to serve. We are looking for people who may not be able to do the work themselves or be able to afford to hire someone to help.

The work we do can only be outdoors due to COVID-19. We are also not construction experts, so big challenging projects probably won't work. But we can do yard work, paint, or do minor repairs. Please contact Sarah at stgavin25@gmail.com if you or someone you know could use the help of our youth.

Have you sent in your donation and t-shirt order for the Walk for a Cause in Memory of Adam LaLuzerne? If you haven't, email Sarah today with your t-shirt size and then mail in that form. We will mail t-shirts to those outside of Sturgeon Bay but will charge extra for shipping. Please contact Sarah today if you want to get registered and make a donation! Check out the event on Facebook: Virtual Walk for a Cause: in Memory of Adam LaLuzerne. The event page has all of the details you need along with deadlines. If you don't have Facebook, call or email Sarah!

Please follow Sturgeon Bay Edge and Life Teen on Facebook and [@sturg_youth_ministry](https://www.instagram.com/sturg_youth_ministry) on Instagram to stay connected!
