Each month the council selects a family from one of the four parishes: Corpus Christi, St Joseph, Saints Peter & Paul and Holy Name of Mary. It is not required that a KC member be part of the nominated family. Anyone wishing to suggest a family for nomination may contact a member of KC council 2478. The Compass Fuels Faith

Thousands of fellow Catholics fuel their faith by reading the Diocese’s official weekly newspaper, *The Compass*. They are reading the publication because it helps guide them on their faith journey. Inspirational stories from *The Compass*

bring Christ right into their hearts and minds.

“With help from the Bishop’s Appeal, *The Compass* provides readers with reliable news, information and inspiration,” said Sam Lucero, News & Information Manager. “Each week, stories and columns help reveal our Catholic faith. And they deliver more than just news. They challenge readers to explore and absorb Christian values in the world today.”

The *Compass* is made possible by the Bishop's Appeal; please prayerfully consider a gift today. Visit the Bishop's Appeal website at www.catholicfoundationgb.org/give, or call Tammy toll-free at 877-500-3580, ext. 8123.

Seventh Sunday in Ordinary Time

In today's Gospel Jesus gives us the challenge to: "Love your enemies...Give to everyone who asks of you...Do to others as you would have them do to you...Be merciful, just as your Father is merciful."

We continue to help our Friends in need through the collection basket at the ramp entrance. This month continues to be small children’s toys. Thank you again for your incredible generosity.

There are many organizations in Sturgeon Bay that are set up to help the poor. What makes SVDP unique: **TWO WORDS.....Home Visits!**

We are the only organization that goes out and does a home visit every time we have a request from a Neighbor in need. We go out in pairs, as Jesus directed the Apostles. We go to them as a sign of respect, not them coming to us asking for help. We try to maintain their dignity. The home visit is NOT an inspection but rather a better overall view of what the needs might be.

Many times our Friends will be asking for only one thing, like utility help or maybe food or gas money but during the home visit you will notice they have no furniture. We had one friend asking for utility help and had only 4 tires that he sat on. NO furniture or bedding of any kind. Another couple needed help with rent and when we asked if they had enough food they said they get by only eating every other day. This was an older couple. Totally unacceptable to us. We arranged to get them food and to help explain the food pantries and how to use them.

There are so many stories we could tell. But know the need is there. Thank you for answering Jesus's call.

Your donations help us keep helping others. We continue to keep you all in our prayers.

Book Discussion

Joan Chittister, one of our most celebrated spiritual writers, invites us to embrace older age as a natural part of life that is both active and contemplative, productive and reflective, and deeply rewarding. She encourages us to cherish the blessings of aging and to overcome its challenges and shows us that this is a special period of life-maybe the most special of them all.

This Book Is For:

- *Those on the brink of "old age."*
- *Those concerned about their parents and the kinds of issues older age may be raising in them.*
- *Those who want to reflect on the gradual effects of the aging process in their own lives.*

The gift of these years is not merely being alive,
