Our Youth Minister, Sarah’s favorite day of the year is coming up: St. Patrick’s Day! You can bet we will be celebrating at Life Teen and Edge this week. Did you know, **Patrick Was Never Canonized** as a Saint. He may be known as the patron saint of Ireland, but Patrick was never actually canonized by the Catholic Church. This is simply due to the era he lived in. During the first millennium, there was no formal canonization process in the Catholic Church. At Edge and Life Teen this week we will be learning so many more interesting facts and how inspirational St. Patrick is!

Youth Ministry

Young adults in today’s world find life difficult and overwhelming. Derrick Diedrich attended his first youth conference and discovered that Jesus was there to help him stay on the right path.

“Everybody was praising, and loving Jesus and I just fell in love with the electricity. It’s like the Holy Spirit was running everything and it was just beautiful,” said Derrick. Derrick chose to follow Jesus and share his faith with other young adults. He credits his transformation to those at he Diocese of Green Bay who support parish youth ministry and faith formation programs.

Through these ministries, our youth encounter Christ and see the beauty of a church that is full of mercy and love. When you support the Bishop’s Appeal, you support young people like Derrick. You also train parish leaders including deacons, pastoral associates, and religious educators.

To make a gift to the Bishop’s Appeal, contact your parish, call Tammy toll-free at 877-500-3580 ext. 8123 or visit the website at www.catholicfoundationgb.org/give

Second Sunday of Lent

Lent is a call not just to "give up something" but more important to "give something for the poor". Wherever you live in the parish, there are poor families within walking distance of your home. When in need, they ring the rectory bell or call SVDP. They are, in effect, ringing your doorbell.

Is there a family you know who needs assistance? Please call The Society of St. Vincent de Paul so that together we can help the poor, the suffering, and the deprived. Our number is: 715-212-1218.

We are often asked, with all the jobs out there how can there still be poor people? Many reasons, but a main one is the lack of affordable housing. There is a guideline that your rent shouldn't be more than 30% of your income and many we work with are closer to 50%. That leaves less for gas, food and childcare. Also, many of our working poor live paycheck to paycheck and when they have to take off a week when the kids are home from school due to a classroom quarantine they can't catch up. And most have no savings. We have had many families lose multiple weeks of work due to this.

Also, many service workers have had hours cut by the restaurants due to lack of help. We might feel inconvenienced by our favorite restaurant not being open every day but think of the workers without that income. These are just a few of the many reasons for struggling working families in Sturgeon Bay.

But we are forever grateful for your support and generosity so that we may step in and help when needed.

As always you all continue to be in our prayers.
