**Easter Sunday**

Today as we celebrate the feast of Easter, like Mary Magdalene and the Disciples we find the challenge of also seeing and believing the resurrection.

**As you put your items into the St. Vincent de Paul collection box or drop a donation into the basket you are helping those who are poor and hungry to "see and believe" in the Resurrection.**

We have a gift for you today. On the table in the ramp entrance is a basket with Miraculous Medals in it. Please take one. They are Blessed so please treat with reverence. They also come with a brief history of the medal. We will keep the basket full so you can take one or give one away whenever you need it.

Many of you don't know that St. Catherine Laboure, who the Blessed Virgin Mary appeared to in 1830, was a Daughter of Charity of St. Vincent de Paul. She gave specific instructions on what the medal should look like and also asked for the words "O Mary conceived without sin, pray for us who have recourse to thee." She was claiming her title as the Immaculate Conception.

It received its name the Miraculous Medal due to the many miracles that occurred to people while wearing the medal.

We will continue to keep you all in our prayers and we thank everyone for your wonderful generosity that enables us to be the hands and feet of Christ on earth.
