Sixth Sunday of Easter

Jesus said to His disciples, "Whoever loves me will keep my word and my Father will love them."

Numerous times in the Bible Jesus speaks of the poor and as Vincentians we live out our faith and show our love by our service to those most in need. It is truly a mission of action. We can act quickly, even immediately in some situations, without undue restrictions or "red tape." We serve the poor regardless of creed, ethnic or social background, health, gender, or political opinion. We offer any form of help that alleviates suffering or depression and promotes human dignity.

Our new Conference, the local grouping of St. Vincent de Paul, formed at St. Joseph Parish in October of 2021. Out of the 24 Conferences in the Green Bay Diocese we have proved to be one of the busiest.

We saw the poor and came together in spirituality, friendship, and service to those most in need, following the words of our patron, St. Vincent de Paul, *"if you want to find God-go to the poor."*

We are not another social service agency but rather a Catholic lay organization open to helping anyone in need. We do personal home visits on all our requests for assistance and consider those we work with as "friends in need", never as clients.

We need your help. To maintain our mission of charity, we rely on the prayers and generosity of others.

Saint James tells us about faith in God and works of charity. *"If a brother or sister has nothing to wear and has no food for the day, and one of you says to them, go in peace, keep warm and eat well, but you do not give them the necessities of the body, what good is it? So also, faith itself if it does not have works, is dead."*

Please keep us in your thoughts and prayers and if anyone has any questions regarding our work here, please feel free to contact me.

God Bless,
Denis McCarthy
St. Joseph Conference President

St. Joseph, pray for us.

Edge and Life Teen Middle and High School Religious Education and Youth Ministry

We are praying for our teenagers as they are wrapping up the school year! Here is a prayer for our young people:

*Lord God,
Thank you for this opportunity to learn new skills and stretch my understanding.
Thank you for guiding me through this time of study into the final exams.
I lay before you all the hopes and fears I have about the outcome.
May you place a peace within me now as I rest and await the results.
Thank you that I am safely held in your love.
Thank you that whatever happens in the future I will live in your goodness and walk with you always.

- Many mental health disorders first present during adolescence.
- — Between 20% and 30% of adolescents have one major depressive episode before they reach adulthood.
